AFRICAN VIOLET WHOLESALE TRADE LIST [1962]

AFRICAN VIOLET WHOLESALE TRADE LIST

All plants grown in 2½" pots and expertly packed for safe shipment. These plants are ready to be shifted to a larger size pot--3" or 4".

We conduct a continuous insect-disease prevention program. All soil used on our range has been pasteurized. This kills injurious fungi and bacteria, as well as all weed seeds. All benches, flats, pots, soil bins and tools have been sterilized. The plants you receive from us will be free from soil and foliage disease.

We are African Violet specialists -- this is all we grow. All varieties are true to name.

To get a fine assortment of Violet Plants, single and doubles, try our RAINBOW SELECTION. This selection includes some of the 35¢ and 50¢ varieties. Our RAINBOW SELECTION will be in bud or bloom. \$35.00 per 100 plants, minimum order 25 plants.

Substitutions: Unless instructed otherwise, we will send a similar variety if out of any ordered. We believe this would be more satisfactory rather than holding and delaying your order at time of shipment. We always send the best plants available at the time shipment is made.

Minimum wholesale order 25 plants, F.O.B. Dallas, Texas.
We do not sell leaves, rooted or unrooted.

Sample freight charges, Dallas to San Antonio: (This is for your information, we do not ship prepaid).
